Celebrating 30 Years

THE 2010 RAAA CONVENTION - CELEBRATING 30 YEARS

The 2010 RAAA Convention is being held at the Hyatt Regency Coolum Sunshine Coast, September 15 to 17. The three day Convention program incorporates the main conference speakers program, exhibitors trade show, social and networking functions, and the convention dinner. More than three hundred delegates from around Australia and international guests from Brazil, The United States, Europe, Canada and The United Kingdom are expected to attend the 2010 Convention.

The Convention will feature a very strong speakers program with key Government, Industry and Regulatory Authority representation. The Government White-Paper and standing regional/general aviation issues will certainly create an active forum for presentations and debate. The Trade Exhibition is sold-out with a record number of exhibitors "on show" providing excellent business engagement opportunity.

Aside from business aspects, the Convention is very much about catching up with associates and old friends, and creating a range of social functions to complement the more formal business discussion sessions. The very popular Golf Challenge is on again this year, with bragging rights often exceeding the talent on display! The traditional Welcome Function on Wednesday evening will feature a spectacular aerobatic display by Matt Hall-of international Red Bull Air Race fame, the flight demonstration and static display of the grand Super Constellation "Connie", with Bentley, Ferrari and Maserati marques and business aircraft on display. The Thursday night Oktoberfest, a big hit last year, is returning and the official Convention Dinner on Friday will showcase a wonderful line up of entertainment for a special night of 30th anniversary celebrations.

The 2010 RAAA Convention will be the best yet, it is not too late to book. One day delegate passes are available or create a package that suits you. Contact Mecca Concepts: Ph +61 3 5981 1724 email: meccaconcepts@bigpond.com
